

CEMENT MIXER

<http://tiny.cc/cementmixer>

FEATURES & BENEFITS

- **Faster than a stand alone mixer**
- **Designed to work in hard-to-reach areas**

The hydraulically powered cement mixer is an inexpensive attachment that lets you mix, transport, and pours concrete faster than a stand-alone mixer. This unit's compact size makes it the ideal tool when working on sidewalks, driveways, footings, small building floors, and other hard-to-reach or limited access areas.
